Regular physical activity is an important key to good health. Being in good shape gives us all a great feeling of personal well-being. Our fitness is something that we can all improve - it is not necessary to be champion of champions to enjoy the benefits of being fit.

Come along and try:

*Badminton * Keep-Fit * Table Tennis * Squash/Racketball
Short Tennis * Short Mat Bowls * Country Dancing * Steam Room* Gym
Jacuzzi * Sauna * Water Workout * Swim in the Leisure Lagoon*

This introductory pack will give you a brief insight into the various activities that we have available to club members. Each week simply choose which activities you wish to partake in. If you're feeling energetic, you could have a go at all the activities on offer, or dedicate yourself to mastering a few. The choice is yours!

At the beginning of all sessions club members meet in the restaurant to find out whether there is any change to the normal programme and to get information about forthcoming events, etc.

The club has a committee, which is made up of members of the club. They are on hand to give you advice if you have any problems or queries. They will show you round on your first visit and explain to you how the Club works. You will be able to pick these key members out as they wear a committee member badge.

Organised trips, a monthly guided walk, and friendly competitions both with other 50+ Clubs and within the Club itself are a special feature of the Club. Tuition (golf, swimming, ball games) is also organised on a regular basis.
